

Shriro Privacy Policy

Shriro Australia Pty Limited (Shriro Australia) is committed to protecting personal privacy. This Privacy Policy outlines the type of information that is collected by Shriro Australia and how it is used and protected. This Policy explains what to do if an individual does not want personal information collected and how information that has already been provided to Shriro Australia can be changed.

Consent to Shriro Australia's Privacy Policy

By submitting personal information, which includes registering a product, an individual agrees with the terms of Shriro Australia's current Privacy Policy. If an individual does not agree with any term within this Policy, then personal information should not be provided, no-one is obligated to provide personal information. However, failure to do so may result in Shriro Australia being unable to provide an individual with product(s) and/or provide certain services including after sales service.

Collecting of Personal Information

As used in this Privacy Policy, 'personal information' means personally identifiable information such as an individual's name, street address, email address and telephone numbers.

Personal information maybe requested by Shriro Australia to enable an individual to register for a product warranty or promotion, receive information or mailings, buy a product or service from Shriro Australia, fill out a survey, make a comment or enquiry or for a variety of other reasons. Please be assured that Shriro Australia will not collect any personal information unless an individual provides this information voluntarily.

When Shriro Australia is provided with personal information, the individual is authorising Shriro Australia to use that information in accordance with this Privacy Policy.

How Shriro Australia Uses Personal Information

Personal information and the information Shriro Australia gathers are used solely by Shriro Australia for the express purpose for which it was collected eg to respond to an enquiry, register a product warranty, entry into a promotion etc. It may also be used by Shriro Australia to improve Shriro Australia's products and web sites as well as means of contacting an individual regarding other products and services which may be of interest to the individual. Shriro Australia may also share it with, or pass it to other brands within the Shriro Group. At any time, however, an individual may opt out of such future contact. (See "Who to Contact" below).

At times Shriro Australia may retain third parties to process and analyse data collected eg information collected on the Shriro Australia web sites, including personal information, solely to help improve Shriro Australia's products and web sites. In addition, if a product or service is ordered from Shriro Australia then personal information may be shared with Shriro Australia's suppliers and other third parties to allow delivery of such product or service. These suppliers and other third parties are not authorised by Shriro Australia to use personal information in any other way.

Finally, please note that Shriro Australia will release an individual's personal information if required to do so by law.

Security of Information

Shriro Australia takes all reasonable precautions to keep personal information secure. Access to personal information is permitted among Shriro Australia's employees only on a need-to-know basis.

Changes in Shriro Australia's Policy

Shriro Australia reserves the right to change or remove the Shriro Australia Privacy Policy at Shriro Australia's discretion. If Shriro Australia decides to change the Privacy Policy, the changes will be posted here.
